Rank by landed cost (L1 / L2 / L3)	**Pending / No quote**	**L2**	**L1 (Lowest landed cost)**

** Market price benchmark uses illustrative demo data for simulation purposes only. It is not a live or verified market quotation.*

Decision

Recommended supplier	**UJJIVAN SMALL FINANCE BANK LIMITED**
Reason (if not L1, must state why)	Lowest quoted bidder (Supplier Test) cannot be recommended as GST verification is pending/unavailable. Recommended UJJIVAN SMALL FINANCE BANK LIMITED as the lowest GST-verified bidder.
Negotiation attempted?	No - direct evaluation (commercial assist available if required)
Approved quantity split (if any)	Pending buyer approval

Prepared by (name & date): **Procurement Desk . 09 Nov 2026**

Approved by Owner / MD: **Pending buyer approval**

Purechain note (T-2)

Golden rule for MSMEs: compare LANDED COST (rate + GST impact + freight), never the bare quoted rate - the cheapest quote is often not the cheapest supplier. The GST verification row is pass/fail: a supplier failing verification cannot be recommended regardless of price. The Market Price Benchmark row shows whether even the L1 price is above market.
